**7th Annual Information Security Summit**

October 29-30, 2009

Pre-Summit Training October 26-28, 2009

Registration is now open for the 2009 Information Security Summit. This year's event features pre-Summit training opportunities and 2 days of talks, presentations, hands-on workshops, a vendor trade-show fair and much more!

Information Security Technology, Business/Management, Law Enforcement, Career Development, Compliance and Legal issues will be featured. Joel Snyder of Opus One will be our Thursday Keynote Speaker. Our theme this year is Information Security on a Shoestring Budget.

Pre-Summit training opportunities include:

- Forensics from Len Drinkard
- Career Development from Luigi A. Pecoraro
- NACS from Joel Snyder
- Malware Analysis from Tyler Hudak
- Incident Response from Kris Harms
- TCIM Proof-of-Technology from Chet Metcalf

Keynote speakers scheduled:

- Joel Snyder from Opus One
- John O'Leary from O'Leary Management Education
- Grady Summers & Richard Bejtlich from General Electric

Check our website at <http://www.informationsecuritysummit.org> for a complete list of training options and other conference details.

Check out the flyer at [http://www.informationsecuritysummit.org/2009\\_summit\\_flyer.pdf](http://www.informationsecuritysummit.org/2009_summit_flyer.pdf)

Our event this year will be held at:

- Corporate College East.
- 4400 Richmond Road
- Warrensville Heights, Ohio.

This facility is a quarter of a mile from Tri-C's Eastern Campus and is easily accessible from Interstate 271. Our recommended hotel for overnight guests is the Embassy Suites at 3775 Park East Drive in Beachwood as they offer complimentary shuttle service to and from Corporate College.

Register at: <https://www.informationsecuritysummit.org/register.php>. We look forward to seeing you at the Summit!
